There was a break of two points in the active list, while the deplines in the inactive group reached four and over. The bears were inclined to be aggressive and hammered the weak ber of the issues.

New York Central was the special object of attack on the renewal of an old report that the road intended to make an issue of new stock to finance its terminal improvements in this city. A deminal was immediately made for the New Tork Central, it being stated that the commany roughly not need anything its. company would not need anything like the amount the Pennsylvania Railroad raised, and that there would be no difraised, and that there would be no difficulty in getting whatever was required when the time came for securing the capital. But the selling went on, and New York Central dropped to c lower price than in years, it being at 121 1-2 in the final dealings, which was loss of 3 5-8 on the day.

Steel, which had been a promisting tesue in the early day, fell away when a report was circulated that the price of teel billets had been cut. Gains were lost and the common and preferred closed with fractional losses.

Rose's condition was so serious to-day that Coroner Schaefer was sent for to take his ante-morten statement, but when he got to the hospital the man was unconscious. It is said that when Rose was taken to the hospital last night he told the doctors that Dominick had stabbed him. Dominick denied to the police that he had used a knife, saying that his brother was guilty. Search had been made for Michael, but he has not been found.

Dominick was held to await the result of Rose's injuries.
